Chief of Base, Salzburg

Chief, FBI

Operational

Inspector Wilhelm KIRCHNER

Reference: MARI GUN

- 1. We should like to express our appreciation to [ ] and [ ] for a fine piece of work in following up the lead to Inspector KIRCHNER and exploring his connections. We are sure that the settings furnished in MARI GUN have been of considerable help in clarifying certain muddy waters for both GIB and ourselves.
- 2. We shall be interested in the reports of KIRCHNER's investigation, and hope that these may shed still further light on the situation.
- 3. We have no personalistic credit on the KIRCHNER who travels from Switzerland to Poland. We shall not burden you with traces on the other persons mentioned, since these are obviously all well known to you.
